

EHS Today

August 18, 2016

Mr. Thomas Sexton
EHS Manager
Middough Inc.
1901 East 13th Street, Suite 400
Cleveland, OH 44114

Dear Mr. Sexton:

Congratulations! Middough Inc. has been named one of America's Safest Companies for 2016 by EHS Today, the magazine for environment, health and safety leaders. You and your employees should be very proud of your accomplishment.

The editors of EHS Today named 10 companies to the 2016 list of America's Safest Companies. Together, these companies provide a safe working environment for thousands of employees.

This year's list of America's Safest Companies includes: **American Bridge Company, Club Car LLC, EnPro Industries, Hunter Site Services, Leprino Foods Company, Middough Inc., Ryan Incorporated Central, Saulsbury Industries, South Dakota Wheat Growers and the South Texas Project Electric Generating Station.**

We will celebrate your achievements at an awards night out on **Tuesday, September 20, 2016** from 5:30-8:30 pm during a special ceremony at **the Heinz History Center**, 1212 Smallman Street, Pittsburgh, PA. The night includes food & drinks, music and celebration and is part of our Safety Leadership Conference. Please let me know who will represent your company at the awards celebration.

Ceremony Timeline:

5:30pm-6:30pm – Guests Arrive / Social Hour
6:30pm-7:00pm- ASC Awards Ceremony
7:00pm-8:30pm – Live Music / Drinks / Photo Opportunities /etc.*

**In an effort to stick to the timeline above, please have one or two individuals accept the award on stage. There will be time after the ceremony to take company and group photos. There will be a photographer on-site and we would be more than happy to send you the photos after the event. Suggested attire for the event is business, business casual or company-branded clothing.*

EHS Today

We will reserve two free passes for you for the Safety Leadership Conference, September 19-21 in Pittsburgh – which includes the awards celebration – and you are eligible for a discounted rate for additional passes for the conference and awards ceremony. I will send you information about registering for the conference in a separate email.

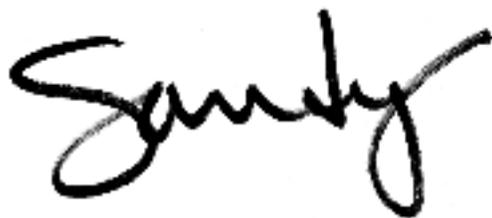

America's Safest Companies, founded in 2002, is a corporate award honoring the safest companies in the United States. Since 2002, more than 200 companies clearly have demonstrated their commitment to employee safety and health, environment management and risk control and have been honored as America's Safest.

To be considered one of America's Safest Companies, companies must demonstrate transformational EHS leadership in the form of support from management and employee involvement; innovative solutions to safety challenges; injury and illness rates significantly lower than the average for their industries; comprehensive training programs; evidence that prevention of incidents is the cornerstone of the safety process; excellent communication internally and externally about the value of safety; and a way to substantiate the benefits of the safety process.

We will feature the 2016 America's Safest Companies in our November issue. We will need 2-3 high-resolution photos from you depicting safe work by your employees (please, no award ceremony photos or obviously staged photos!) These photos should be email to me at sandy.smith@penton.com no later than Friday, September 30.

If you have any questions, please don't hesitate to call me at 216/931-9464.

Best regards,

A handwritten signature in black ink that reads "Sandy". The signature is fluid and cursive, with a large loop at the end.

Sandy Smith
