### **Middough Expands Central Region**

*New Middough Location to Open in Northwest Indiana.*

**Cleveland, OH (January 19, 2018)** — Middough Inc., a top ranking U.S. engineering, architecture and management services company, is pleased to announce that they are expanding their local presence to clients in Indiana and west Michigan.

The Indiana office is part of Middough's Central Region and will be led by Vice President and General Manager, Mark Jindra. "I have lived and worked in Indiana for more than 30 years and look forward to helping both the company and our people the opportunity to grow. Our new office affords us to really capitalize on Middough's strategy of providing the services of a global EPC firm with the attention and response of a local AE firm."

"This new location and leadership allows us to not only better serve our existing metals, refining, and chemical client base but also to expand our penetration into our other industry sectors including energy, pharma bio, and facilities" states Carl Wendell, President and COO.

#### **About Middough Inc.**

For more than 67 years, Middough Inc. has been recognized for its performance and leadership in engineering, architecture and management services. With major offices in Cleveland, Chicago, Houston, Philadelphia and Toledo and additional offices nationally comprising 600 professionals. Middough provides a full-range of traditional and specialized design, technical and management services in eight industries. We deliver value added services through an integrated network of regional and local offices.
