The Blade Names Middough Inc. A Winner of the Toledo Top Workplaces 2019 Award

CLEVELAND, Ohio (January 25, 2019) — Middough Inc. Toledo office has been awarded a 2019 Top Workplaces honor by The Toledo Blade newspaper. The list is based solely on employee feedback gathered through a third-party survey administered by research partner Energage, LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

“Top Workplaces is more than just recognition,” said Doug Claffey, CEO of Energage. “Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement.”

“This award would not be possible without the outstanding team we have assembled in our Toledo office,” said Daniel Lowry, Senior Vice President and General Manager. “They are committed to our mission, to providing outstanding service to our clients, as well as to each other. I am thrilled to be able to work with such an outstanding group of people that strive to improve their performance on a daily basis.”

“Becoming a Top Workplace isn’t something organizations can buy,” Claffey said. “It’s an achievement organizations have worked for and a distinction that gives them a competitive advantage. It’s a big deal.”
